

FROM THE PLATFORM PRESIDENT TO ==> ALL TRADERS, COOPERATIVES, FLEETS, AGENCIES AND RESPONSIBLE OPERATORS OF THE FREIGHT FORWARDING SECTOR BY ROAD OF THE EUROPEAN UNION, SCHENGEN AREA AND INDEPENDENT STATES.

Dear colleagues:

All the Spanish Freight Forwarders by road, joined in the PLATFORM, in face of the very serious economic crisis and the downfall of our sector, have declared an absolute STRIKE for all freight forwarding activities in the whole SPANISH territory.

The strike will be for an indefinite time, as long as the Spanish government will not attend the basic demands of the Spanish Freight Forwarders, which you can find on our website: www.transportes.org/puntos-de-reivindicacion

The strike will begin at 0:00 hours on Friday 6th of June 2008.

From this moment on:

- We do not recommend to try to load anywhere on the Spanish territory.
- We do recommend to tolerate the circulation of the vehicles on their way to unload their freights.

From Friday 6th of June on the situation will be of an absolute STRIKE for an INDEFINITE TIME for LOADINGS AND UNLOADINGS on the whole Spanish territory.

From the PLATFORM we would like to stress on the fact, that the strike is absolutely peaceful. We do not recommend, we reject and repudiate absolutely any violent action. We will not allow that any action, originated by settling of scores or personal quarrels, will be related to the PLATFORM.

Best wishes to all the Professionals of the Freight Forwarding Sector.
